

Unleashed: Blueprint to Mental, Physical and Financial Wellbeing, 2011, 208 pages, Timothy Feuling, 0982933363, 9780982933367, No Limit Enterprises, LLC, 2011

Everyday I hear people complaining about not being able to do this, how their life is hard, how others have more, complaining about having less, mentally tired, physically tired and sick and financially suffering. I get it - life is challenging, but you CAN do something about improving every aspect of your life - in short, creating wellbeing in every area of our life. Unleashed is a book that teaches America to get proactive. I share my personal struggles growing up so readers can see I am just like them. Then we get busy arming them with easy-to-implement strategies to grow mentally, spiritually, physically and financially. The book is unique because it isn't your typical, do this, this and this book. I use real life stories and examples and keep the book personal and intimate. Unleashed will absolutely help anyone that reads it live a better life if they are willing to implement what they learn.
